Graham Gillis Wins District Judges' Race RUN-OFF IN RACE FOR SHERIFF; BURNS IS ATTORNEY

MAJORITY OVER WATSON IS 751 VOTES; RACES OVER COUNTY CLOSE

Graham Gillis, native son, won the nomination for District Judge of Milam County, in the Primary Election held on last Saturday, July 23, defeating Judge John Watson by a majority of 751 votes.

Judge Gillis received 3477 votes and Judge Watson received 2726 votes. Gillis was unsuccessful in 1928 in his race for this office. He will be the first native son of Milam County to hold this office and will bring to the service of the people a wealth of experience and legal training that gives promise of a distinguished service in this place of responsibility.

Both candidates have served Milam County as county judge and both will have served as District Judge.

Due to the large volume of election matter The Herald can only present in brief the story of the election. More than 6200 votes were cast. Cameron polled the largest vote in recent years with 1353. Gillis received almost two to one majority at Cameron box. Election returns in tabulated table form can be found elsewhere in this edition.

In a close race for County Judge, Jeff T. Kemp won the nomination over J. O. Hughes by a majority of 111 votes.

In the race for Floterial Representative there will be a run off between Jesse James of Thorndale and Henry B. Krenk of Lincoln.

Emory B. Camp of Rockdale won the nomination by a clean majority over J. A. Ely of Gause and A. N. Green of Cameron for Representative from Milam County, 64th District.

Roy Law defeated L. Van Perkins for Tax Collector by a majority of 1719 votes.

H. B. McClellan won his race for Tax Assessor against Frank Walzel by a majority of 497 votes.

S. M. Burns, Cameron attorney was nominated for Criminal District Attorney over Ed Gunn of Rockdale by a majority of 790 votes.

In the county contested races Roy Law led the ticket, followed by Graham Gillis and S. M. Burns.

Precinct Races

There will be a run off in Commissioner's Precinct 4 between Clyde Moore and E. G. Stiles. The race was close with four contestants and H. Moore, present Commissioner, having been eliminated.

Grady Stidham received a majority over N. H. Butts and Paul J. Thompson for Commissioner of Precinct 2.

H. A. Fuchs was re-elected as Commissioner in Precinct 1 and Dick Hairston, was re-elected in Precinct 3.

W. C. Covin of Rockdale won the nomination for Constable over Wiley Williams in Precinct 4.

B. F. Bailey of Cameron got a majority over J. E. Holtzclaw and Jack Owings for Constable in Precinct 1.

Gus Evans with a majority of 320 votes won the nomination for Justice of the Peace for Precinct 1 at Cameron over J. M. Ralston.

The Herald will endeavor to bring to its readers next week a more readable account of the election. Tables are to be found giving the vote at each box on all contested races in Milam county, from State to Precinct.

NATIONALLY KNOWN EVANGELIST TO SPEAK HERE ON SATURDAY

Evangelist Raymond T. Richey, nationally known Houston revivalist, will speak in Cameron at 5 p. m. and at 8 p. m., Saturday, July 30. The services will be held in the new Cameron Gospel Tabernacle, Fannin and Fifth Streets. The tabernacle is now under construction but will be ready for Saturday's services. The erection of this tabernacle is the result of revivals held here by Evangelist Harry H. Hodge. Rev. Mr. Richey will be accompanied by evangelist Harry H. Hodge and others.

A large crowd is expected to attend these services as Mr. Richey has hundreds of friends and acquaintances in this section of Texas. It is reported that delegations will be here from many surrounding towns and communities. Cameron people are expected to turn out in large numbers.

Raymond T. Richey, reputed by many religious leaders of America today to be among America's leading evangelists, has held meetings in many of the major cities of the United States. He has stood before tens of thousands in such cities as New York, Chicago, Los Angeles, St. Louis, Minneapolis, Milwaukee, Pittsburgh, Indianapolis and others too numerous to mention. He has established works in various parts of the nation following his own revivals there. He is the founder of the Evangelistic Temple in Houston, one of the largest religious centers of America.

In one of his meetings in Tulsa, Okla., it is said over 11,000 people "hit the saw dust trail" in seven weeks. In Albany, N. Y., almost 14,000 knelt at his altars in eight weeks of services. There were 8500 that answered his altar calls in (See EVANGELIST on page 4)

RUN OFF ELECTION IN RACE FOR SHERIFF OF MILAM COUNTY AUG. 27

A run off election in the race for Sheriff of Milam County was made necessary from complete returns compiled by the committee chairman.

The run off will be between L. L. Blaylock, incumbent and R. L. Batte, Jr., of Thorndale. Gene Smith ran third in a field of three for this place.

The unofficial tabulation is as follows:

Blaylock	2968
Batte	1853
Smith	1419

Sheriff Blaylock lacked 302 votes receiving a majority in the primary. Mr. Batte announced in the county press and to the voters that he will be in the run off primary in August and has begun his campaign. Sheriff Blaylock was busy with his campaign when it became known that a primary would be held for the run off. The run off primary election is to be held on Saturday, August 27.

More complete details will be given in the next issue. Gene Smith in a statement to the voters in this issue says he will have nothing to do with the run off. The candidates, he says will have to run their own race. Mr. Smith received 504 votes in Cameron and warm in his appreciation for his home vote.

HEFLEY - DOSSETT, INSURANCE

BY
SUNNY POPE

In playing the Waco Katy Rail-
roaders a double header Sunday and
winning their games in such handy
fashion the Firemen showed their
batting prowess when they bopped
on the offering of Mr. Garrett in
the first game and pounded out ten
hits to amass a .409 average. In the
second game the Firemen hit at a
.333 clip.

Young, Wiley and Sumrall got two
hits in three trips to the plate. A.
Peel obtained two hits in four times
up and Williams one hit in three
attempts. During this game Jennings
drew three walks in a row but scored
two runs. Garrett walked seven
Firemen while Sumrall walked but
one Wacoan. A couple of the hits
which were given the Waco boys
were more of a gift than they were
hits but these two games are not
counted in the averages of the Cen-
Tex League.

Though the Railroaders left seven
men on the paths during the first
game yet Sumrall tightened up in the
pinches and only in the seventh per-
iod was he in any danger. Two men
were out when Young and Garrett
hit safely and S. Burrage was hit by
a pitched ball. The next batter how-
ever went out second to first then
ripping a rally when a hit would
have meant one or more runs.

In the second game S. Burrage,
who played left field in the first
game, was on the mound for Waco
and Everett Peel for Cameron. Dur-
ing this second game Peel struck out
ten Waco players, walked one and
let them down with two hits. The
Firemen on the other hand bopped
on Burrage for eight hits. Burrage
struck out three and walked four
Firemen.

It was evident after the first
game that the Waco team could not
hope to win and their play during
this game indicated that they were
merely trying to get the misery over

at the earliest opportunity. At that
however, it takes the heart out of any
pitcher when the heavy artillery of
the Firemen is brought into action.
The Firemen almost invariably make
enough scores in one big inning to
win their ball games. Too, you must
consider the fact that the Firemen
have a reputation of having the hard-
est hitting club in Central Texas and
this is a very disheartening fact for
their opponents to face. Consider
the fact that there are eight regulars
who are hitting over the charmed
circle and there are several on the
team who are liable to put the apple
out of the park at any time. Couple
this threat with the fact that the
defensive play of the team will
compare favorably with any ame-
teur team in the state and it is no
wonder why the Firemen are so
dreaded.

In the second inning of the second
game McDonald led off with a two
bagger and Jennings followed with a
home run over the left field wall,
though it was a bouncer at that. In
looking over the score card an un-
usual thing occurred when Everett
Peel was walked three times and
scored one run and was not "at bat"
during the game. When it came to
hits, Doug Williams led the team
with three hits in four times up;
Jennings got two hits in three times
up; McDonald got one hit in two
times up while both Wiley and Deer
hit for .333.

The Railroaders made a "batting
average" of .065 against Peel while
the Firemen got a hit for every third
time up.

A most amusing incident came up
in the seventh inning which caused
much hilarity in the grand stands.
Two men were out in the seventh
when Garrett reached first on an error.
At this juncture McDonald, who was
catching, decided to change catcher's
mitt and walked over to the Cameron
dug out with the ball in his hand.
Garrett then walked to the plate with
the only score that Waco scored.

The Firemen have two games re-
maining on their schedule to com-
plete the last half schedule when they
take on the Ben Arnold Bengals on
Wednesday afternoon. Then on Sun-
day, July 31, the deluxe game of the
season is promised when Lampasas
invades our stronghold for what may
be the deciding game of the season.
This game will bring out the largest
crowd of the season as both teams
have shown their wares and Cameron
is the only team that has been able
to defeat Lampasas.

As matters stand on Monday morn-
ing it would appear that the Lam-
pasas Badgers have about cinched
their being in the play off of the
Cen-Tex League when they defeated
the Killen Scorpions Sunday, giving
them seven won and one lost. They
have one game yet to be played at
Lampasas with Rogers and the con-

cluding game of the second half will
find the Badgers playing the Fire-
men at Cameron. Inasmuch as base-
ball is chuck full of ifs, then I can
be pardoned if it comes in handy
with my theorizing. If Cameron wins
their game against the Ben Arnold
Bengals Wednesday and also against
Lampasas Sunday it will place Cam-
eron with eight games won and two
lost. This percentage will guarantee
our being in the run off.

The Firemen have won the last six
games they have played despite the
fact that several members of the
team whose names appear on the
roster are not available. For in-
stance there is Flossie Hardin who
suffered an injury at Navasota on
June 23 when he was hit by a batted
ball and has not been able to be in
the line up since. Then there is Unk
Young who went to Illinois. His
name has been kept on the Firemen
list but despite the fact that the
Three I League has disbanded Unk
remains in the North with another
team. His services would be almost
invaluable to the Firemen now.

For Sunday's game against Lam-

pasas it is most likely that Ben Zech
will be on the mound for the Fire-
men and Rabbit Darrow for the
Badgers. This should be a battle
royal as the teams are evenly match-
ed and with these two hurlers pitted
against each other the game will be
well worth going miles to see. In
the offensive play it would seem that
the Firemen have the edge over the
Badgers. On the defense however the
reverse might be true. But it seems
that whenever the Firemen go to
hitting there is nothing can keep
them from scoring, though runs in
one inning to win a game.

Boy Scout News

Troop 32, B. L. Archer, Scoutmaster

Sunday and Monday, July 17 and 18, sixteen registered Scouts went to the permanent camp of the Heart of Texas Council to spend the week. The following boys along with Scoutmaster B. L. Archer and assistant, Eugene Crowell, made the trip: Vernon and Gail Bain; Anthony and Melvin Cecil, Louis Kubecka, Robert Everett, Robert and Cecil Crowell, Eldridge Rhea, Frank Newton, Rodrick Long, Ernest Sharpe, James Leath, Jack Stidham, Jerome Dusek and Coleman Lansford.

It is hard to explain just what a fine camp this is and what a wonderful time everyone had. If you woke up drowsy and all out of sorts just a few minutes in the cool spring water would remove all trace of it. Each Troop was in a cabin set up all of its own, at least 200 yards or more from its closest neighbor. Wednesday night George Gott came to camp to spend the remainder of the week. Archery appealed to Mr. Gott, so he, along with many other Scouts, made a bow and some arrows and handled it with unusual skill for a beginner. This is one of the most fascinating sports in the camp for boys as well as adults. I am sure that every boy has profited

by attending this camp and comes home a better and wiser Scout.

We especially want to thank those who so willingly helped get the boys to camp: Messrs. John C. Young, George Gott and R. J. Long and also to those who assisted in getting the boys back home: Messrs. Geo. Leath, R. J. Long, George Gott and Mrs. Bain of Buckholts.

It is only a few minutes over an hour's drive to the camp and Mr. Lawrence and Mr. Saunders always welcome visitors. Friday night, Saturday and Sunday are official visiting days. Boys in other Troops planning to attend will do well by getting in their application and deposit at once.

Troop 52, J. A. Lindle, Scoutmaster

Troop 52 held their regular meeting Friday night in the City Park, with the Scoutmaster, Patrol Leader Paul Michalka, 13 registered Scouts and six visitors present. Bird study merit badge was brought up for discussion, followed by the bird questionnaire game. After this event, a game of "Capture the Flag" was played. This game is quite popular with the boys for an outdoor game. After this game, another watermelon feast was enjoyed. This too is quite popular with the boys and of course the melons were furnished by the Moraw boys.

Sunday afternoon Scouts Paul Michalka, C. W. Gjedde, Frank Ermis, the Stanislaw twins, August Moraw and Wilbur Sutter paid a visit to the "Old Swimming Hole" down in Little River. These boys all report a very good time. Troop 52 is planning for an all night hike in the very near future.

Troop 53, J. W. Haygood, Scoutmaster

Due to the political speaking and the members of our Troop playing in the band, we did not have our meeting Friday night. The Black Bear Patrol is going on an all night hike Tuesday night. Our Troop will go to Camp August 1 and that is Monday. All Scouts who are going must secure their health certificates this week.

METHODIST CHURCH

"Sweetly, Lord, have we heard Thee calling,
Come follow me,
And we see where Thy footprints falling
Lead us to Thee."

What kind of an excuse do you put up when that "still, small voice" calls you to go to some house of worship on Sundays? My friend, it is a dangerous thing to continue turning a deaf ear to that call. Go to some church next Sunday. The Methodist church, along with every other church in this city, extends to you a hearty welcome.

The sermon topic for the eleven o'clock hour is "Workmen Wanted." We are to go and worship at the Christian church on West Main at the eight o'clock hour. The new pastor of that church, Rev. Ed Mace, will preach, his topic being "Quest for Life." The services will be held on the church lawn where it is nice and cool. Let's give Brother Mace a good hearing.

AD HALL 4-H CLUB

The Ad Hall 4-H Club met Friday at the school house. Ten members answered roll call with "Give Experiences in Buying." Mrs. Hugh Powell gave an interesting discussion on "The Law of the Advertiser" and "Confessions of a Buyer." Mrs. D. K. Hall discussed "How I Can Protect Myself." It is time to make your grape juice so the hot summer days will be more comfortable. Here is a good recipe:

Grape Juice

Three gallons grape juice (strained), 4 quarts sugar. Pick and wash grapes, place in a large kettle and just cover with water. Cook until the grapes are tender and skin is broken. Strain through a bag. Combine sugar and grape juice and boil 20 to 25 minutes. Seal while juice is boiling hot in glass bottles or jugs.

The next meeting will be held at night on August 6 at the school house. Reports from members attending Short Course will be heard and a community party will be given.

Evangelist

(Continued from page 1)

Beaumont, Texas, in six weeks of services.

This young Texan's record as a soul winner may be favorably compared with such men as Chas. C. Finney, who is said by some to have

been the greatest soul winner since the Apostle Paul. Finney is declared to have led a million souls to Christ. Dwight L. Moody, perhaps the world's greatest evangelist since Finney's time, is reported to have won 500,000 to Christ. Raymond T. Richey, not yet forty years of age, has seen 400,000, or near that figure, kneel at his altars since the World War. Followers of Mr. Richey declare that he is careful to give God all the glory. He says he is aware that "without Him, my Spirit, saith the Lord." Raymond T. Richey is said to lay great emphasis on prayer. He attributes the success of his revivals to this one thing. . . "prayer, believing prayer." Mr. Richey says, "no man can have a revival unless the supernatural power of the Holy Ghost works in his midst. Human drives and programs are useless without the power of God working in our midst. This only happens when people pray mightily."

Thousands are said to have been healed of all manner of dreadful diseases in Richey revivals throughout the land. Blind eyes are declared to have been opened, deaf ears unstopped, the crippled made to walk, ills and pains of every nature have disappeared in answer to the "prayer of faith." Mr. Richey does not claim

to possess any healing power himself. He merely prays himself, anointing with oil as he says the scriptures command in James 5:14 and 15, and gives God all the glory for healing. Following the preaching services, the sick will be prayed for by him.

Wet Parade

(Continued from page 1)
Stone, Neil Habilton, Jimmy Durante Wallace Ford and others.

Film magazines and the Motion Picture Herald stamp "The Wet Parade" one of the greatest productions of all time and has been received with tremendous approval over the nation.

It is a story that offers a hitherto unheralded study of the question, presenting in strong dramatic detail both sides. No one will be offended and all should see it. Walter Huston gives the greatest performance of his career.

Remember the picture is Tuesday and Wednesday and comes to patrons of the theatre with no extra admission cost.

TO THE VOTERS AND FRIENDS OF MILAM COUNTY

I wish to take this means of thanking those of you who supported me in the campaign just closed and assure you that I sincerely appreciate the time and effort expended in my behalf. I bear no ill will towards any of you who assisted in my defeat.

While of course I am disappointed in failing to realize my ambition, this disappointment is negligible when compared to the satisfaction I received from believing that I did not lose a single friend during the entire campaign and that I made many, many new ones, some of which I am sure will be life long.

Let me now extend to you an invitation to come by and see me when you chance to be around my way.

Hoping to see all of you again in the future, not as candidate to voter but as friend to friend, I am,

Very truly yours,
FRANK WALZEL.

TO THE VOTERS OF JUSTICE PRECINCT No. 1

I desire to extend to the voters of Justice Precinct 1 my profound gratitude and thanks for the honor of giving me the nomination for your next Justice of the Peace.

My thanks go out to every one who in any way assisted my candidacy. I appreciate the clean and gentlemanly race my opponent, Mr. Ralston, ran, and assure him my continued good will and friendship.

GUS EVANS.

TO THE VOTERS OF CONSTABLE'S PRECINCT 1

I wish to thank the people for the vote given me for Constable on last Saturday. I received a majority of the vote cast and I am deeply grateful to the voters. I ask the cooperation of all the people and I have only the best of feeling for those who voted for other candidates. I pledge the people my best efforts to serve them well.

B. F. BAILEY.

TO THE VOTERS OF MILAM COUNTY

I wish to thank the voters of Milam County for the substantial majority given me in last Saturday's primary election, and in return I shall try to give you service commensurate with the confidence you have placed in me.

Gratefully yours,
H. B. McCLELLAN.

TO THE VOTERS OF PRECINCT No. 1

I take this method of thanking each of you for your support in the primary just passed and to assure you that I shall abide by the decision of the voters of this precinct.

Respectfully,

J. E. HOLTZCLAW,
Constable, Cameron, Texas.

TO THE VOTERS OF MILAM COUNTY

I am deeply grateful for the splendid vote given me on last Saturday in the Primary Election. I am always glad to express my appreciation and I hold in the highest esteem the people of Milam County who again committed to my care the duties of District Clerk.

For "SECOND SUMMER" troubles

During the second summer baby is usually learning to eat new, strange foods and is cutting teeth—a bad combination.

At this trying time, one thing is essential. Keep his bowels working regularly and promptly, carrying off their daily load of waste without fail.

For this there's nothing like Castoria, made specially for babies and children. Castoria is a pure

vegetable preparation which contains no harsh drugs, no narcotics of any kind.

It is so gentle in action you can safely give it to a young baby for colic. Yet in larger doses it is an effective regulator for older children. You never have to coax them to take Castoria. They like it.

You know how suddenly second summer ailments develop. Be prepared with Castoria. Genuine Castoria always has the name, Chas. H. Fletcher, on the package. It now comes in two sizes. The new family size contains about 2½ times the amount in the regular size.

Red Riley, who lives near Cannon Snap, raised a watermelon of the Stone Mountain variety that when ripe weighed 110 pounds. Mr. Riley said he weighed the melon regularly after it grew to a large size and it gained two pounds a day for some time, and after it reached the weight of 110 pounds, weighed it for three days, not gaining any. It has been on display at the Piggly-Wiggly for several days, and is valued at \$5.00. Mr. Riley stated that the seed would be worth that amount. This is one of the largest, if not the largest melons grown in Milam County in years.

Miss Gladys Lyles of Lmpasas, visited friends in Cameron and was a dinner guest of Judge and Mrs. Jeff T. Kemp. Miss Lyles formerly lived in Cameron and is the daughter of the late Maj. R. Lyles who for many years was a leading criminal lawyer of Central Texas and was largely identified with the pioneer law practitioners and saw Cameron grow from a modest little country village to the thriving little city it now is.

Mr. Riley says he has melons larger than this one and says that he will have to find some way to stop their growth, but anyway a watermelon has to be "Red."

Last Week To Make School Transfers

The week beginning July 25th, is the last week for making transfers of students in the office of the County Superintendent. No transfers can be made by the County Board whether the child is in the elementary or the high school grades. In instances where parents expect to send their children to schools outside the district of their residence, the child must be transferred even though he has completed the grades of his home school. Students cannot be transferred outside the county except to districts that are adjacent to the district in which the child resides. Parents are urged to attend to this important matter in the few remaining days in July as they are personally responsible for the state apportionment of the child when they do not transfer before August 1.

Firemen Win Double-Header From Waco Team Sunday

The Oneville Pirates were scheduled to play the Firemen at Cameron Sunday but the game was forfeited and the Waco Katy Railroaders came to Cameron for a double header in their stead. The Cameron Firemen won both games of the twin bill when they downed the visitors in the first game ten to one and won the second affair five to one.

In the first game it looked as though we were due to see a real ball game as neither team scored during the first three innings. The first run of the game came in the fourth in-

ning when a base on balls, a sacrifice hit and an infield error gave the visitors the only score they made in the first game. When the Firemen came to bat in their half of the fourth the heavy artillery got into action and before the smoke cleared the Firemen had put over six runs on five hits, two walks, and a sacrifice coup, led with an error. Jenness and Glenn drew passes. Deer sacrificed, scoring Jenness. Wiley flew out to third base. Sumrall got a hit as did Williams, Young, Archie Peel and McDonald. Thus in one inning the Firemen made more than enough scores to have won the game but they did not rest with this. In the succeeding inning the Firemen made four more tallies on three hits, an error and three walks. The games were seven innings by agreement.

In the second game Everett Peel limited the visitors to two hits and won hands down. Waco scored their lone tally of the second game in the last inning when an infield error, a wild pitch and a boner by McDonald scored Garrett. The Firemen started their scoring in the second inning when they made four runs on four hits and an error. The fifth Firemen tally came in the fifth and was scored on two hits, a hit batsman and a base on balls.

In the first game Garrett was on

the mound for Waco while Sumrall pitched for the Firemen. In the second affair S. Burrage hurled for Waco and Everett Peel was on the firing line for Cameron.

DIZZINESS

relieved by Black-Draught

"I decided to take Thedford's Black-Draught, as I had been having bilious spells," writes Mr. Charles E. Stevens, of Columbus, Ind. "When I get bilious, I feel sleepy and tired and do not feel like doing my work. It is hard to tell how I feel, but I do not feel good. I get awfully dizzy. I know then that I had better take something. After I found how good Black-Draught is, that is what I have used. I guess it rids me of the bile, for I feel better—don't feel like I am dropping off to sleep every time I sit down. That, to me, is a very bad feeling."

Now you can get Black-Draught in the form of a SYRUP, for CHILDREN.

To the People of Milam County:

The splendid vote given me on last Saturday in the Primary Election for Sheriff of Milam County, is greatly appreciated. I want each one to know how very grateful I am for this expression of confidence.

I will be in the run off Primary election to be held on the Fourth Saturday in August. I take this method at this time to express to one and all my hope of success and to solicit your vote and support. To those who voted against me I have no ill will, only the best and kindest of feeling and in the run off Primary August 27 I want you to vote for me.

I want to serve the people of Milam County as their Sheriff. It is a place of responsibility I realize, but I feel qualified in every way and I feel certain in saying that if you will give me your support and elect me I will bring to the office of Sheriff a kind of service you will appreciate.

It has been a long time, and only one time in the history of the office, that a native son of Milam County soil, ever held it. I want to be the second native son to serve you as Sheriff. I know I can serve you and give you an administration of which you will all be proud.

It is only a short time until the run off Primary and if there be anyone I have not seen or may not be able to see please take this as my earnest solicitation for your vote and support. I would hold it a very sacred commission from the people if you will nominate me.

Sincerely,

R. L. Batte, Jr.

Candidate for Sheriff, Milam County.

TO THE VOTERS OF MILAM COUNTY:

I wish to thank my friends who so loyally supported me in my recent campaign for County Judge. Your zeal and confidence is gratefully acknowledged.

"Life is sweet because of the friends that we love,

And the things that in common we share;

We want to live on, not because of ourselves,

But because of the people who care;

It's giving and doing for somebody else,

On that, all life's splendor depends—

And the joy of this world, when you've summed it all up,

Is found in the love of our friends."

I want you to know that your goodness and kindness made my heart glad.

BRILLIANT WEDDING OF 50 YEARS AGO LINKED TWO OLD SOUTHERN FAMILIES IN HAPPY ENDING OF ROMANCE

On July 25, 1882, fifty years ago, occurred one of the most brilliant weddings that Cameron citizens had ever witnessed at that time. Dr. Vol Reed, son of an early pioneer family of Bell county had wooed and won Miss Maggie McCown, the charming daughter of the late Mr. and Mrs. Wiltz McCown, early pioneer people of Milam county who settled on the South banks of Little River, near Cameron and reared an interesting and representative family.

The large colonial brick home has been supplanted by a modern Southern home owned and occupied now by Sealy Lamkin and his widowed mother.

At the time of the wedding the much used ford on Little River, a ferry boat was used at that time and all guests from Cameron and country side were ferried across by Henry Hardwick who acted as ferryman.

A Golden Wedding celebration for the high contracting parties of the brilliant wedding fifty years ago, of Dr. and Mrs. Vol Reed, now of Austin, was celebrated Sunday evening, July 24 in early twilight, at the home of Mr. and Mrs. W. B. Thomas, at Rogers, Mrs. Thomas being the oldest child. They had invited relatives and close friends to enjoy this very happy occasion, among them were many who had attended the original wedding at the McCown home on Little River.

Mr. and Mrs. Thomas greeted guests at the gate with true Southern hospitality. Miss Simpson, a grand daughter, presided over the guest book and invited the guests to seats on the lawn facing the wide veranda where a musical program was given. Miss Kirkpatrick presided at the piano and gave the wedding music. Misses Mary Alice and Margaret Virginia Thomas gave a violin number, "Love's Old Sweet Song." Miss Eloise Rogers of Cameron, niece of Dr. Reed, sang in honor of the bride of fifty years ago, "When You and I Were Young Maggie," and also led a group of songs in which all present joined in, ending with

"Put on your wedding bonnet With the white ribbon on it, And we'll leave old Austin by the way Through fields of cotton We'll drive to Rogers

For our Golden Wedding Day." Later the wedding march was played and the honorees, followed by

those who were present at the original wedding ceremony, then by all relatives and friends lead the way to a group of tables on the lawn set in a novelty design, laid with snowy linen, the central part of the table was graced with four tier cake, the work of a daughter, Mrs. Emeline Simpson of Dallas, and were seated at center table while guests arranged themselves on either side of the festal table where flowers of golden hue were in tall vases symbolized the occasion and stood at intervals on the tables where barbecued meats, salads, pickles and delicacies of the season were bountifully served with ice tea and a sweet course of ices and cake.

The hostess was assisted by her sisters-in-law, brothers, daughters and nieces. Volney Reed of Temple, a brother of the hostess, acted as master of ceremony and introduced Hon. T. S. Henderson of Cameron who was best man at the original wedding, gave a reminiscent talk and presented the honorees the original marriage license of fifty years ago, which had been secured from the files of Milam county by Deputy Clerk, Mrs. Meta McCown, a sister-in-law of the honored bride, which showed W. K. Homan, ordained minister of the Christian church as the celebrant. Dr. Reed made an appropriate response.

Miss Miriam Reed of Temple, a grand daughter, gave a toast to her grand parents ending with the words: "Our grand parents are like fruit cake and sugar cured ham;

The longer we keep 'em the better they am."

The company dispersed to the lawn for conversation and more music, for a very delightful evening spent by visitors from Dallas, Austin, Coleman, Georgetown, Holland, Cameron, Rosebud, Temple and Rogers. All children and grand children of the honored couple were present excepting one grand son, Dr. William Borden Thomas Jr., who is now serving his intern in the Birmingham hospital.

Among those who attended from Cameron were Hon. and Mrs. T. S. Henderson, Mr. and Mrs. Cecil Culpepper, Judge and Mrs. Jeff T. Kemp, Mrs. Pearl Clement, Miss Mollie Moore, Mr. and Mrs. Wm. R. Rogers and sons, Reed and Kenneth, Miss Eloise Rogers, Mr. and Mrs. George Hooks and two daughters, Mrs. Meta McCown and Mr. and Mrs. Harry Tag, Mrs. Mollie Lamkin, Miss Frances Hobson, Tom Sampson and son, James Sampson, Maurice Mayfield, Mr. Ronshousen of Port Arthur, Mr. and Mrs. Ed Taylor, visiting her father, Tom Sampson, Mrs. H. F. Smith and sister, Mrs. Madara Letcher, Miss Aetna Smith and Mr. and Mrs. O. M. Smith. Mrs. Emeline Simpson of Dallas, Mrs. Maggie Mae Parthing, Mrs. Susan Reed of Austin, Roger Reed, Wiltz Reed and Wilbur Reed of Holland and Volney Reed of Temple besides other guests.

The bride cut the cake just before the guests departed and gave them a piece to dream over, in true old Southern style. This was a very happy occasion for the 150 or more guests present.

After the meal the darkies of the home were allowed to partake of the delicious barbecue and sweets and grouped themselves around their table in a manner bringing back to those present, the happy days of years ago.

MRS. DAVIS ENTERTAINS

A delightful social courtesy of last week was a bridge party given by Mrs. Judd Davis and her daughter, Miss Gladys Davis, at the attractive Davis home, complimenting Mrs.

George William Triggs, a recent bride and Miss Roberta Pace of Dallas, a house guest in the Davis home.

A pretty pink and green color scheme was charmingly developed with pink trailing queen's wreath and handsome pink zinnias in floor baskets, bowls and containers that graced vantage points, lending beauty to the rooms where seven tables were arranged for players, where tally pads and score cards lent tonal color to tables.

The hostess presented a lovely pewter water jug to the bride; a dainty pair of hose to Miss Pace and for highest score made during the afternoon, Mrs. Wm. Howard Baskin received a plaque.

Miss Bonnell Neinst was a member of the house party and assisted the hostesses in serving brick ice cream and angel food squares on tables centered with attractive bud vases containing chosen flowers. Iced punch was served during the games.

LAWN PARTY

Miss Rosalie Matocha surprised her cousin, Leona Matocha, with a lawn party at the home of her parents last Thursday night. Leona has just returned from the Lady of the Lake College at San Antonio where she took a summer course.

Games were played led by Helen Mondrik and Agnes Matocha. After a pleasant hour of fun the hostess assisted by her mother, served ice cream and cake.

Those present were Leona Matocha, Alice Strizinek, Margaret and Annie Michalka, Adele Slama, Mabel Hosch, Pauline Michalka and Agnes Hibner.

RECEPTION FOR MRS. ACREY

"A Thing of Beauty is a Joy Forever," was truly verified Wednesday afternoon at the beautiful garden party given by the Presbyterian ladies on the East lawn of their church, where an abundant hedge encircled the lawn, given in honor of Mrs. Acrey, the bride of the Manse who recently was claimed by the minister of the Presbyterian church, Rev. O. C. Acrey.

Added attractions to the pretty grassy lawn were tall pedestal baskets filled with large handsome zinnias and roses intermingled with graceful trailing queen's wreath, completing the beauty of the scene where ladies in airy summer frocks gathered to welcome the charming bride.

The ladies of the church, in gracious manner, welcomed the guests, composed of invited ladies of all the denominations in town. Mrs. James Watson stood at the head of the receiving line and introduced them to the honoree, Mrs. Acrey, her mother, Mrs. C. H. Bodden and daughter, Miss Mable Bodden of Taylor; followed with the presidents of all the missionary societies of the different churches, Mrs. Bob Terry of the Methodist; Mrs. Robert Young of the Christian; Mrs. Grady Cooper of the Baptist and wives of the pastors of the churches, Mrs. J. P. Love and Mrs. N. D. Timmerman of the Episcopal and Baptist, respectively; and none looked more beautiful than little Don Marie, daughter of Mr. and Mrs. Giles Avriett, who was flower girl at the wedding and wore the dainty dress ankle length, that she

appeared in at the wedding when she dropped petals of roses.

Seats were provided on the lawn where guests grouped themselves for pleasant chats with friends.

A large square of ice, frozen with sprays of the chosen flowers on the interior of sides, was an artistic punch bowl that rested on a table beautifully decorated with flowers and was near a prettily decorated arch leading from the Manse to the lawn and was presided over by Miss Marguerite Ford, Mrs. Harry Tag and Mrs. Robert Brown who served delicious punch during the afternoon.

The stone steps leading to the study of the church was attractively decorated with pedestal baskets in graduated heights, filled with the chosen flowers led to the small portico where those taking part on the musical program given stood during the afternoon which had been arranged by Mrs. George Cay and Mrs. Henry Sapp as follows:

Piano number, Mrs. R. P. Jeter.

Vocal solo, Mrs. A. J. Triggs.

Violin number, Mrs. C. W. Bradbury accompanied by Robert Smith.

Vocal duet, Mesdames Harsha and Nicholson.

Reading, Mrs. George Cay.

Vocal solo, Mrs. Thad Epperson.

BARBECUE

Mr. and Mrs. R. G. Lyon and Dr. and Mrs. J. S. Hubert were joint host and hostesses to a delightful barbecue Wednesday of last week, given at Wayside Inn. Delicious barbecued meats with accessories and iced drinks were served to the following guests: Mr. and Mrs. Sam McDermott and children, Mr. and Mrs. Fritz Fahrendorf and Mrs. Carolyn Gill of Waco, guest of Mrs. Fahrendorf, Mr. and Mrs. R. B. Rylander and children, Mr. and Mrs. O. M. Smith, Mr. and Mrs. Gus Evans, Mr. and Mrs. Rush Thomas and children, Mr. and Mrs. Lockhart and son Byron of Waco and A. H. Foster of Rogers.

O. E. S. MEETING

Regular meeting of the Order Eastern Star was held Tuesday evening with Mrs. Gladys Watson, Worthly Matron, presiding. Miss Mary New-

ton was elected to receive the degrees of the Order. Later in the summer the chapter will hold a school of instruction, at which time a number of the Grand Officers will be present.

Helped By Cardui

Here's the true story of how Cardui helped Mrs. H. E. Dunaway, of McComb, Miss., as written by herself:

"I was sick and rather discouraged. I was so weak and thin, I was not able to do my work as it should be done. This made me fret a good deal, and did not help my condition."

"I had pains across my back and lower part of my body. My nights were spent in rolling from one side of the bed to the other, hoping I would soon go to sleep. Then when morning would come, I would be just as tired as when I went to bed. A neighbor, seeing how badly I felt, told me to try Cardui. After I had taken one bottle, I was much better. I kept on taking Cardui, and I was stronger and slept much better at night."
